4. [] Met with Bob Allnutt, Staff Director, Senate Space Committee, and briefed him and obtained secrecy agreements from him in renewing his access clearance to compartmented information. Allnutt raised several questions regarding the briefing of various Committee members on compartmented information and I explained to him the practice of past chairmen of the Committee which has been to limit briefings of this sort to the chairman and ranking minority member and the several members of the staff who have compartmented clearances. I indicated, however, that in final analysis this was a decision that should be made by Chairman Moss.
